

A photograph of a brown Labrador puppy sitting in a grassy field. The puppy is looking slightly to the left of the camera. In the background, there is a white wooden fence and some trees. The lighting is bright, suggesting a sunny day.

GANDERLAND

**QUALITY
LABRADORS**

www.ganderlandlabs.com

At Ganderland Quality Labradors, we start with labrador retrievers that have excellent temperament and possess quality bloodlines with proven championships in field trails and hunt tests, as well as excellent temperament.

We breed only Orthopedic Foundation for Animals (OFA) hip-certified dogs to provide the best chance that your puppy will not develop this condition as it grows. Ganderland puppies come with a 26-month guarantee to ensure your puppy will not develop dysplasia or your money back.*

At Ganderland Quality Labs, we want you to be completely satisfied with your purchase. And we'll go the extra mile to ensure it.

* Please visit www.ganderlandlabs.com to view the complete written hip dysplasia guarantee offered by Ganderland Quality Labs.

Puppies are usually available. Ganderland Quality Labs suggests you call us and we will let you know what is currently available and expected dates of upcoming litters. You may also check our website for a current listing of available puppies and expected litters.

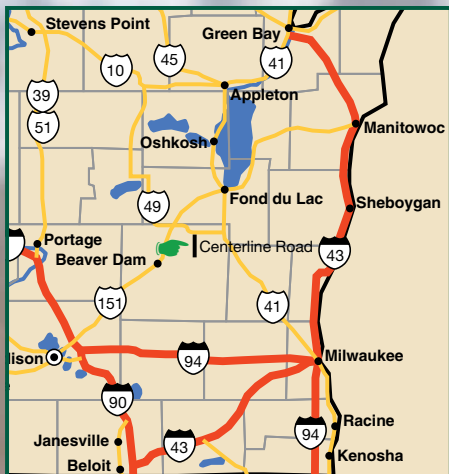

Your satisfaction is our top priority. We will work with you to find the perfect puppy.

LABRADOR RETRIEVER

Whether black, chocolate, red, or yellow, labs are intelligent, responsive, friendly, and have excellent scenting abilities, which makes them perfect for hunting. They are outgoing, eager to please, and enjoyable companions. Their temperament makes it one of the most popular dogs in America.
