Pheasant Creek Hunt Club

Pheasant Creek Hunt Club is located in south central Wisconsin near the town of Markesan. Jim and Charlotte Fiegel—along with their children, Jennifer, Sara, Brenda and Brian—work hard to make Pheasant Creek Hunt Club a relaxing break from the everyday grind. The family farm land is an ideal location for hunting, recreation, or simple relaxation. A wide variety of hills, plains, wood-land, and grain sorghum offer the ideal wildlife hunting area.

The new season opens in mid-September and runs through to March 15, or until birds are gone. We are open daily by appointment from 8:00 a.m. to dusk.

Memberships

A variety of seasonal memberships are available to meet your specific needs, along with our regular day rates. All membership fees are due by the end of September. There will be no membership carryovers, and all hunts must be completed by the end of February or purchased birds will be forfeited. Memberships purchased after September will incur an additional 1% surcharge. NO memberships may be purchased after December 15. Memberships may be purchased and split with at most among three people.
